

CONGO GATEWAY SOLUTIONS LLC

Your trusted U.S.–DRC market entry partner

Overview

Congo Gateway Solutions LLC is a U.S.-based advisory and operations firm dedicated to supporting American companies entering and expanding in the Democratic Republic of Congo. We serve as the bridge between U.S. corporate governance and Congolese field execution.

Core Services

Market Entry & Operations Setup: Office establishment, housing, transport, utilities, and compliance coordination.

Staffing & Payroll: Recruitment, HR administration, contracts and payroll management.

Procurement & Vendor Management: Sourcing and managing equipment, PPE, supplies, catering and logistics.

Why Choose Us

U.S. management, local execution, bilingual teams, deep supplier networks and a single point of accountability.

Target Industries

Mining, energy, infrastructure, logistics, technology and professional services.
